Dear Parent:

I am pleased to announce the 10th annual "Direction for Success" Police Summer Camp. This year's camp will be held at Berkeley Intermediate School, the week of June 11th through the 15th. Our role, as officers, is to keep our children safe and have a positive influence on subjects such as self-esteem, leadership, and drug prevention. Since 2002 our annual police summer camp has helped enhance the security and awareness of our children. I am asking you to please join us in providing this wonderful program. Thank you for your support and participation. Together, we do make the difference.

Sincerely,

Chad Caldwell
