SCOPE OF WORK – ASBESTOS ABATEMENT & DEMOLITION SERVICE

All applicable laws, ordinances, and rules and regulations of any authorities shall be binding upon the Bidder for the full term of this contract. The Bidder shall be responsible for compliance with any such law, ordinance, rule or regulation, and shall hold the TOWN harmless and indemnify same in the event of non-compliance.

Each BIDDER shall inspect the site and shall be responsible for reading and being thoroughly familiar with the CONTRACT DOCUMENTS. The failure or omission of any BIDDER to do any of the foregoing shall in no way relieve any BIDDER from any obligation in respect to his PROPOSAL.

No Asbestos Inspection required Asbestos Report Attached. An inspection has been performed and the summary is attached.

Asbestos Removal and proper disposal is required.

Documentation denoting proper disposal of Asbestos must be provided to the Town prior to final payment of services.

General Description and Scope of Work

The Town of Moncks Corner will be seeking qualified, experienced, and licensed contractors with Asbestos and Demolition skills and experience in providing services for the asbestos abatement and demolition of removal of two (2) structures.

The address that will be in need of these service(s) 307, 309 and 311 Main Street, Moncks Corner, SC. All specifications shown are a minimum. There is no intention to disqualify any contractor(s) who can meet these specifications.

Performance Period

Due to time being of the essence, the term of this agreement shall be submitted by the Contractor as to a proposed time schedule for starting and completing the job. The Contractor shall be held liable to the time period specified and any delay of completing the job in the time specified shall be issued liquidated damages of one hundred dollars (**\$100.00**) per day exceeding projected completion date. The contract time shall be extended in an amount of time equal to the time lost due to delays beyond the control of the Town or Contractor. Such delays shall include, but not limited to, inclement weather, fires, flood, or acts of God. The contractor shall be extended a day for each rain day encountered. A rain day is defined as a day in which the Contractor is unable to perform **any** work at the asbestos abatement and demolition site. The specifications included herein are based on requirements to ensure that the lowest practical cost and highest practical quality of asbestos abatement and demolition and removal services are obtained at quality prices using the latest technology.

The Town of Moncks Corner will not honor or consider any price increase, fuel surcharge, or add-on cost during the established performance period. Contractors must submit firm fixed pricing.

General Conditions for Asbestos Abatement and Demolition continued

Basis of Award

Acceptance of the proposal shall be made based on price, qualification, experience, and where applicable, responsiveness, operating costs, delivery time, requirements, performance data, and guarantees of materials and equipment for each separate location. The Town of Moncks Corner reserves the right, as the best interest of the Town may require, to award the purchase contract from any of the proposals, to reject any or all proposal, and to waive any informalities in proposals received.

Pricing Instructions

The vendor shall list the total job costs for asbestos abatement and demolition (all inclusive) associated with performing the services required site. The Contractor shall thoroughly fill out the attached pricing sheet located at the end of these specifications or will be deemed “unresponsive”. Number of days required for completing demolition and removal after receiving notice to proceed must be stated in proposal(s). Failure to so state will obligate contractor(s) to complete asbestos abatement demolition within TWO (2) weeks. It shall be the sole responsibility of the Contractor(s) to visit the sites of the work and fully inform themselves as to all conditions and matters, which can in any way affect the work or the cost thereof.

A. Demolition Standards

- The Contractor shall demolish the structures. Respondent(s) are advised that the price proposal submitted for demolition services must include the demolition of any and all manmade structures at the designated location(s). Demolish the entire structure(s) including, but not limited to, footings, concrete floors, parking lots, driveways, and walkways. All structures will need to be removed.
- All underground utilities shall be removed. Waterlines shall be removed to the meter. Sewer lines cut and capped at the property line.
- Respondent(s) are advised that in order for the demolition project to be considered completed, the soil as it remains is stabilized against erosion and runoff at the location. Areas will need to be re-seeded, hydro-seed, and or mulched.
- Neither the Contractor(s) nor his/her employees engaged in the demolition of said facility shall be considered employees of the Town. The method and manner of performance of such undertakings shall be under the exclusive control of the Contractor(s). The Town shall have the right to inspect such undertakings at any time without prior notification.
- It shall be the sole responsibility of the Contractor(s) to obtain and pay for any and all permits and business licenses required by State, County and/or Town.
- The Contractor shall remove and dispose of all demolished materials (including all environmentally hazardous materials) off site. Disposal of debris must be done in a lawful manner, in accordance with all applicable statutes, rules, and regulations.

General Conditions for Asbestos Abatement and Demolition continued

- All trash and debris including, but not limited to, cuttings, decayed/decaying building materials, household furniture/furnishings, appliances, mechanical or transportation parts, fallen trees, limbs, garbage, paper products, discarded metal, glass and wood products shall be collected and removed from the site(s).
- The entire site shall be graded and left in such a condition as to be free of voids and holes and shall not hold water. The Contractor shall backfill the lot to existing ground level and compact.
- Dust control will be required during the demolition process.

B. Disposal of Refuse

- The Contractor shall remove and dispose of all debris.
- The Contractor will not be permitted to burn any of the demolished materials on site or within the boundary limits of the Town of Moncks Corner.
- The Contractor shall comply with all local, state, and federal regulations, including those of the OSHA, ADEM, and EPA.
- The Contractor shall be solely responsible for disposing of materials and shall take into account before bidding the compliance with the above stated ordinances and regulations. In no way shall the Contractor, after bidding, seek an adjustment or Change Order as a result of not being able to comply with the regulations, ordinances, codes, etc., set forth in these specifications.
- At the completion of the work, the Contractor shall remove all waste materials, and debris from, and about the premises as well as all tools, equipment, and surplus materials and leave the site clean and ready for occupancy. All work under this agreement shall be coordinated with the Town Administrator. Any changes to the established schedule must have prior approval of the Town Administrator. At any time during the term of the contract, the Town of Moncks Corner reserves the right to adjust the specifications attached. The Town understands that additional work shall be estimated and priced prior to performance. Unreasonable estimates shall be deemed cause to terminate this contract. The Contractor will, as a part of this agreement, be expected to work closely with the Town of Moncks Corner in resolving any and all problems resulting during the term of this agreement.

Regulatory Requirements

- It shall be the sole responsibility of the Contractor to carry out the asbestos abatement and demolition of said facilities in a safe and diligent manner in accordance with normal workmanship and standards having to do with this type of work.
- The Contractor shall comply with all applicable federal, state, and local laws, ordinances, rules and regulations pertaining to the performance of the work specified herein.
- Contractors are required to be familiar with all federal, state and local laws, ordinances, rules, and regulations that in any manner affect the work. Ignorance on the part of the Contractor shall not, in any way, relieve the Contractor from responsibility for compliance with said laws and regulations or any of the provisions of these documents.

General Conditions for Asbestos Abatement and Demolition continued

Contractors are hereby informed that it shall be their sole responsibility to comply with all applicable Federal, State, County, Town Ordinances (laws) and/or authorities having jurisdiction over this type of work.

- The Contractor shall obtain all permits, licenses, and certificates, or any such approvals of plans or specifications as may be required by federal, state and local laws, ordinances, rules and regulations for the proper execution and completion of the work specified herein, including hazardous waste removal.
- The Contractor's employees shall wear appropriate safety gear, uniforms, and footwear that comply with all legal requirements including, but not limited to, OSHA (Occupational Safety and Health Administration and EPA (Environmental Protection Agency) requirements.
- In regards to hazardous waste removal, the Contractor shall perform or cause to be performed all work in compliance with the State of South Carolina Department of Environmental Management (SCDEM). The Contractor shall be required to obtain all necessary permits and meet the requirements for erosion and sedimentation control as defined in Town Codes and Ordinances. Contractor shall insure all silt fencing is installed as required. Also any required permanent stabilization shall be performed if required.

Safety and Protection

- The Contractor shall be solely responsible for initiating, maintaining, and supervising all safety precautions and programs in connections with the work.
- The Contractor shall take all necessary precautions for the safety of, and shall provide the necessary protection to prevent damage, injury, or loss to all employees on the work site and other persons including, but not limited to, the general public who may be affected thereby.
- Protective measures must be installed and observed in order to protect all neighbors from damage.
- The entire site must be cleaned to the fullest extent possible at the end of each day during the demolition and grading process. It shall be the sole responsibility of the Contractor(s) to remove from the site (at his/her own expense) any and all refuse, rubbish, scrap materials, and debris caused by the demolition such that at all times the site of the work shall present a neat, orderly and workman like appearance.
- The Contractor (s) shall exercise proper precaution(s) at all times for the protection and safety of persons and property, either on or near the site, during his/her prosecution of the work. All safety provisions of applicable laws and building and construction codes, in addition to safety and health regulations as required by the Federal, State, County and/or Town that are applicable to this type of work shall be adhered to by the Contractor(s) as if those provisions required by law were inserted herein.
- It shall be the sole responsibility of the Contractor(s) to complete the demolition within a timely manner as stated in the proposal form. The asbestos abatement and demolition Contractor shall complete the project by leaving a clean, clear and level lot free of any obstructions, foundations and otherwise, prior to payment being made.

General Conditions for Asbestos Abatement and Demolition continued

All materials, tools, equipment, etc., shall be removed or safely stored. The Town of Moncks Corner **is not responsible** for theft or damage to the Contractor's property. All possible safety hazards to workers or the public shall be corrected immediately and left in a safe condition at the end of each workday. If there are any questions in this area, the Town Administrator will be consulted.

Examination of Contract Documents and Site of Work

All Vendors are required to examine carefully the site of the proposed Work and Contract and it is mutually agreed that the submission of a Proposal shall be evidence that the Vendor has made such examination and has judged for and satisfied himself as to the conditions to be encountered and as to the character, quality, and quantities of work to be performed and materials to be furnished. Vendors shall also familiarize themselves with and shall comply with the requirements of all Federal, State, and Local Laws and Ordinances which may directly or indirectly affect the Work, prosecution of the Work, persons engaged in or employed on the Work, or the materials or equipment used in the Work. No adjustments or compensations will be allowed for losses caused by failure to comply with the above requirements.

Qualifications

The Contractor shall be fully equipped, staffed, certified, and licensed for the work performed.

Contractor shall own or have access to all equipment and instrumentation required for work performed under the contract, and that equipment and instrumentation shall be available for the duration of the contract.

All employees of the Contractor shall have knowledge and experience including all applicable current licenses, certifications, and permits necessary to perform assigned duties under the contract.

Any employee of the Contractor, who in the opinion of Town is incompetent or whose conduct becomes detrimental to work or safety shall be immediately removed from association with the contract.

Clarifications and Addendums

Each submitter shall examine all Proposal documents and shall judge all matters relating to the adequacy and accuracy of such documents. Any inquiries, suggestions, or requests concerning interpretation, clarification, or additional information pertaining to the Request for Proposal shall be made in writing to Jeff Lord at jeff.lord@twm-ms.com. The Town of Moncks Corner shall not be liable for oral interpretations given by any Town of Moncks Corner employee, representative, or others. The issuance of a written addendum is the only official method whereby interpretation, clarifications, or additional information can be given. From the time of release of the solicitation until an award is made, submitters shall not communicate with anyone from the Town of Moncks Corner except as specifically provided within this document.

It shall be the responsibility of each submitter prior to submitting their proposal to review the website at <http://www.townofmonckscorner.sc.gov> or contact the Town Administrator to determine if any addendums were issued and to make sure such addendum is a part of their Proposal. **Each submitter shall acknowledge in its proposal all addendums received by signature on the addendum and be submitted with the proposal or be deemed "Non-**

Compliant” and rejected. Any complaint from submitters relative to the Request for Proposal or any attached specifications shall be made in writing seventy-two (72) hours prior to the time of opening of proposal; otherwise they cannot be properly considered.

Legal Name

It is essential that the principal and duly authorized officer of the firm who has the authority to bind the submitter to the submitted proposal shall sign the proposal(s) in order to legally validate the intent of the submitter. Failure to provide this shall result in a “Non-Compliant” status and result in the rejection of such proposal.

Quote Expenses

All expenses for making proposal to the Town of Moncks Corner are to be borne by the submitter. In no way will the Town of Moncks Corner be held liable for any costs incurred in producing and creating the proposal.

Irrevocable Offer, Modifications, and Errors

Any quote may be withdrawn up until the date and time dictated for the submission of proposal(s). Any proposal not withdrawn shall, upon opening, constitute an *irrevocable offer* for a period of *ninety (90) days* to the Town of Moncks Corner the goods and/or services set forth in the attached specifications until one or more of the proposal have been duly accepted by the Town of Moncks Corner.

Proposal modifications shall be accepted from a submitter only if received prior to the scheduled proposal submission time, in writing, properly signed by the authorized representative of the submitter’s company, firm, partnership, or individual. **Telephone corrections are not acceptable.** Proposal modifications shall be submitted and clearly marked “**PROPOSAL MODIFICATIONS**”.

Lien Protection

The Town of Moncks Corner shall prohibit any submitter or contractor from filing a lien or encumbrance against the items delivered to or against the owned property of the Town.

Disqualification of Proposal/Termination of Contract

The Town of Moncks Corner reserves the right to disqualify responses that are incomplete, deceptive, frivolous, not signed, and conditional. Responses that contain arithmetical errors, or do not comply with mandatory formats, or contain irregularities may also be rejected.

Contract Forms

Any agreement, contract, or Purchase Order resulting from the acceptance of a proposal shall be on forms provided or prior approved by the Town of Moncks Corner. Any erasures, delineations, or alterations are to be clear and initialed by the person signing.

Notice of Acceptance

The Town shall notify the successful submitter of its acceptance of the proposal by a Notice of Award, depositing an executed copy thereof in the US mail, and/or notification by email.

General Conditions for Asbestos Abatement and Demolition continued

Exceptions, Variances, and Alternates

Submitters shall indicate any and all variances, exceptions, and alternates from the Town of Moncks Corner requested specifications, terms, and conditions on a separate sheet entitled and clearly marked "Exceptions, Variances and Alternates". Providing there have been no variances, exceptions, and alternates attached to said proposal, it shall be assumed that the submitter is meeting all requirements of the specifications. Alternate proposal may or may not be considered at the sole discretion of the Town of Moncks Corner.

Regulations, Codes, and Standards

Submitters shall be authorized to transact business in State of South Carolina. It shall be the responsibility of each supplier to assure compliance with any and all Codes and Standards including but not limited to OSHA, EPA, ADEM, and other Federal, State of South Carolina, Horry County, Local, and Town of Moncks Corner ordinances, rules, regulations, or other requirements that apply to the goods and/or services provided.

Performance Management

During the performance of a contract, the Contractor shall address concerns and questions to the assigned Town's Representative at the awarding of said contract and shall not take direction from other persons or departments that may visit the site from time to time.

Inspections

It is mutually understood and agreed that if any time the Town Administrator or designee shall be of the opinion that the contract or any part thereof is unnecessarily delayed or that the rate of progress or delivery is unsatisfactory, or that the contractor is willfully violating any of the conditions or covenants of the agreement, or is executing the same in bad faith, the Town Administrator or designee shall have the power to notify the aforesaid Contractor of the nature of the complaint. Notification shall constitute delivery of notice or letter to address given in the proposal. If after three (3) working days of notification the conditions are not corrected to the satisfaction of the Town Administrator or designee, he/she shall thereupon have the power to take whatever action he may deem necessary to complete the work or delivery herein described, or any part thereof, and the expense thereof, so charged, shall be deducted from any paid by the Town out of such monies as may become due to said Contractor, under and by virtue of this agreement.

INFORMATION TO BIDDERS

Proposals are being requested for the asbestos abatement and demolition of two (2) structures at 307, 309, and 311 Main Street, Moncks Corner, SC.

The successful bidder will be responsible for providing all materials, labor, tools and equipment necessary for the asbestos and demolition removal of the building. The whole of the two (2) structures shall be torn down and all materials composing the same shall be removed, including walls and foundations. The successful bidder shall pay all costs and expenses for or connected with such removal and proper disposal.

The successful bidder shall be responsible for grading and cleaning said lot and sloping the surface so that it will not drain onto any adjoining pavement or sidewalk or abutting owner's property; and to leave the said lot of land and pavements or sidewalks in a safe condition both during the progress of the said work and when finished; and to pay all costs and expenses in connection with such filling and leveling. In addition, the successful bidder shall be required to hydro-seed the site to meet Town requirements.

Request for Proposal (RFP) will be received by the Town of Moncks Corner (the "Town") at the Town Hall located at 118 Carolina Avenue, Moncks Corner, South Carolina, until **10:00 AM on Friday August 12, 2016**.

RFP must be submitted in a sealed envelope addressed to the Town of Moncks Corner Town Administrator, 118 Carolina Avenue, Moncks Corner, South Carolina, 29461. Each sealed envelope containing a proposal shall contain Proposal's complete name and address, and plainly marked on the outside as "Asbestos Abatement and Demolition of two (2) structures"

All PROPOSALS must be made on the required PROPOSAL forms. All blank spaces for PROPOSAL price(s) must be filled in, in ink or typewritten and the PROPOSAL form must be fully completed and executed when submitted. Only one copy of the PROPOSAL package is required.

The TOWN may waive any informalities or minor defects or reject any and all PROPOSALS. Any PROPOSAL may be withdrawn prior to the above scheduled time for opening of PROPOSAL or authorized postponement thereof. Any PROPOSAL received after the time and date specified shall not be considered. Should there be reasons why the contract cannot be awarded within the specified period, the time may be extended by mutual agreement between the TOWN and the BIDDER.

The Contract documents contain the provisions required for the Asbestos Abatement and Demolition of two (2) structures. Information obtained from an Officer, agent, or employee of the TOWN or any other person shall not affect the risks or obligations assumed by the CONTRACTOR or relieve him from fulfilling any of the conditions of the contract.

The party to whom the contract is awarded will be required to execute the Contract and obtain the Certificates of Insurance and business license within five (5) days from the date and time when NOTICE OF AWARD is delivered to the BIDDER. In case of failure of the BIDDER to execute the Contract and provide the above referenced insurance, the TOWN may at its option consider the BIDDER in default, and the TOWN may seek any and all relief available to the TOWN under the laws and statutes of the State of South Carolina.

INFORMATION TO BIDDERS continued

The TOWN may make such investigations as it deems necessary to determine the ability of the BIDDER to perform the work, and the BIDDER shall furnish to the TOWN all such information and data for this purpose as the TOWN may request. The TOWN reserves the right to reject any PROPOSAL if the evidence submitted by, or investigation of, such BIDDER fails to satisfy the TOWN that such BIDDER is properly qualified to carry out the obligations of the Contract and to complete the work contemplated therein within the time period set forth in the PROPOSAL Documents.

SCOPE OF WORK

ASBESTOS ABATEMENT AND DEMOLITION OF TWO (2) STRUCTURES

- **One (1) 2 story building approximately 990 square feet per floor.**
- **One (1) 1 story building approximately 5,370 square feet.**
- **Asphalt parking**

Must obtain permit(s) and hydro-seed disturbed areas of lot.

Asbestos report attached.

1. The work involved in the demolition and site clearance activities, under this contract, includes demolition, removal and disposal off-site of all:

- Structures
- Foundations and Walls
- Sidewalks
- Rubbish, Trash, Junk
- Footers
- Walls and Floors
- Fencing
- Underground utilities

2. All rubbish, trash and junk (not otherwise identified) even though not a part of the demolished building, shall be removed and the site left clear of such materials.

3. Barricades around certain areas shall be erected as required.

4. Electrical Services: The Town will have all electrical services disconnected from the subject building and site.

5. Water Services: The Town will have all water services to the subject building and site to be disconnected at the water meter.

BACKFILLING AND GRADING

The demolition of all structures shall be complete and all subsurface areas within the limits of the contract shall be completely cleared of all unstable or combustible material before any backfilling operations begins.

The contractor shall furnish at his expense, any and all additional materials required for filling subsurface areas. Said materials shall be of a quality acceptable to the Town.

No unstable or combustible materials such as wire, plaster, wallboard, wood, roots or other deleterious material and debris that would prevent proper consolidation and compaction or that will cause subsequent settlement will be permitted in the fill. Any material encountered during the demolition process which the contractor might propose by the Town prior to use.

No masonry shall be permitted in any fill.

The surface area disturbed for the project, including areas of overgrowth, shall be free of debris, brick, concrete, metal, all demolition debris, etc. larger than 2 inches in any dimension, upon completion.

Once the site has been cleared it shall be the responsibility of the contractor to bring the site free of any ponding or standing water. Grading shall be accomplished so as to achieve proper drainage.

Fine grading shall be inspected and approved by the Town prior to placing grass seed. Upon completion of fine grading, if necessary, with a minimum of 4" of clean top-soil, the area disturbed for the project shall be covered with seed. Hydro-seeding may be used in place of seeding.

SPECIAL WORK REQUIREMENTS:

The successful contractor must coordinate with the Town of Moncks Corner working hours. All working hours are to be approved. Once the project begins, work will be continuous and conducted daily and not delayed for any contractor reason(s).

The contractor shall take proper measures to protect adjacent or adjoining property which might be injured/damaged by any process of the work in the contract. In case of injury or damage, the contractor shall restore at his/her own expense the injured or damaged property to a condition similar or equal to that existing before such injury or damage was done to the satisfaction of the Town.

The contractor shall provide any and all barricades and lights for the project or portion of the project within which operations are being conducted. All operations and stock piles of material and/or stored equipment shall be adequately barricaded and lighted.

All materials incorporated in the permanent work shall be new, and both workmanship and materials shall be the best of quality.

The contractor is totally responsible for the safety of the project and associated hazards/liability of the project. Sound safety practices will be adhered to. Insurance requirements are attached. Upon completion of all work, the contractor shall clean the entire work area to a normal level or "first class" condition as judged by the Town.

Fine grading over the area disturbed upon completion of all demolition and removal. Fine grading shall be done to bring property back to grade with existing surrounding properties and to ensure proper drainage.

PROPOSAL AND SIGNATURE DOCUMENT

The undersigned, as Proposer, declare that we have examined all proposal documents contained herein and will contract, hereon, with the Town of Moncks Corner (hereinafter referred to as the "Town") to do everything necessary for the fulfillment of this contract. We agree any addenda received are part of the RFP documents. (If no addenda has been received, please place a zero in the space provided.)

NOTIFICATION OF INSURANCE COMPANIES

It is the responsibility of the Contractor to notify all insurance companies to familiarize themselves with all the terms and conditions of this agreement. The insurance companies shall waive their right of notification by the Town of any change or modification of this contract, or of decreased or increased work, or of the cancellation of this agreement or of any other acts by the Town or its authorized employees or agents under the terms of this agreement. The waiver by the insurance companies shall in no way relieve them of their obligations under this agreement.

CERTIFICATES OF INSURANCE

Contractor shall file with the Town a Certificate of Insurance, which shall be approved by the Town prior to the inception of any work. Renewal certificates shall be sent to the Town thirty (30) days prior to any expiration date.

INSURER LICENSING AND RATING

All insurance companies providing coverage to the Town, shall be licensed to do business in the State and have an A.M. Best rating of "A-" or better.

INSURANCE COVERAGE ADJUSTMENTS

In response to changing circumstance of loss exposures, the Town reserves the right to modify the insurance coverage, limits of liability, policy endorsements and policy terms required in this contract. The Town will provide written notice to the Contractor, which outlines such changes and allow Contractor a reasonable period of time in which to comply with the new requirements. However, in no event shall Contractor compliance period be longer than thirty (30) days.

COVERAGE CANCELLATION OR UNSATISFACTORY COVERAGE

If at any time any of the foregoing policies shall be or become unsatisfactory to the Town, as to form or substance, or if a company issuing any such policy shall be or become unsatisfactory to the Town, the Contractor shall, upon notice to that effect from the Town, promptly obtain a new policy and submit the same for approval to the Town. Upon failure of the Contractor to furnish, deliver and maintain the insurance coverage's required herein, this agreement, at the sole discretion of the Town, may be forthwith declared suspended, discontinued or terminated. Failure of the Contractor to take out and/or maintain any required insurance shall not relieve the Contractor from any liability under this agreement, nor shall the insurance requirements be construed to conflict with or otherwise limit the obligations of the Contractor concerning indemnification.

HOLD HARMLESS

Contractor agrees to protect, defend, indemnify and hold the Town, its officers, employees and agents free and harmless from and against any and all losses, penalties, damages, settlements, cost, charges, professional fees or other expenses and liabilities of every kind and character arising out of, or relating to, any and all claims, liens, demands, obligations, actions, proceedings or causes of action of every kind in connection with or arising out of this agreement, and/or the performance hereof, that are due to the negligence of the Contractor, its officers, employees or agents. The Contractor further agrees to investigate, handle, respond to, provide defense for and defend the same at its sole expense and agrees to bear all other costs and expenses related thereto.
