Solid Waste Schedule Requirements

GENERAL INFORMATION

The Town of Moncks Corner provides sanitation services to each residence once (1x) a week. It is our goal to provide you with the best possible sanitation service. We ask that you follow these guidelines to assist us in achieving that goal.

An initial non-refundable \$35.00 fee will be charged to all waste services recipients. This \$35.00 fee provides each resident one green roll cart for household solid waste and one brown roll cart for yard debris disposal only. Household solid waste is NOT to be placed in the brown yard debris can.

All refuse and debris must be:

- **Properly containerized**
(No unauthorized containers will be emptied)
- **DO NOT put plastic bags or household solid waste** inside the brown yard debris carts.
- **Place Roll Cart(s) curbside for collection by 6 a.m. each Thursday**
(Trucks will not return for containers placed out late for pick-up)
- **DO NOT** over load the roll cart.

SERVICE DAY

All waste removal including yard debris and recycling will occur on **Thursday**. Please have your roll carts near the road at least 3-5 feet away from any obstruction with the lid opening facing the road by **6:00 a.m.**

SORTING SOLID WASTE

Regular household solid waste should be placed in your green roll cart. This is the solid waste generated from food preparation and other regular daily activities.

Small appliances such as toasters and microwave ovens are collected with regular household solid waste along with clothing and bicycles.

Cardboard boxes must be flattened and placed inside your roll cart or they can be recycled. Please do not use boxes as trash receptacles.

ITEMS NOT COLLECTED

- Televisions/Computer Monitors (see E-scrap on following page)
- Concrete/Asphalt sidewalks, driveways
- Ashes or Cinders (hot or cold)
- Dirt/compost
- Bricks and/or concrete blocks or similar items
- Ceramic tile
- Shingles
- Large Automobile parts (fenders, doors, hoods, trunks, lids, bumpers, etc.)
- Contractor Generated Building & Yard debris

If you are unsure about the category of an item please call 843-719-7900 for clarification.

YARD DEBRIS

Small debris such as grass clippings, straw, leaves, etc. must be placed in the Town issued yard waste roll cart.

Large yard debris, such as branches and limbs, may be stacked curbside for pickup. Maximum dimensions for pick up are 4 ft. long and 4 in. in diameter and no more than 50 lbs. in weight. Dirt must be removed from the roots.

Commercial businesses **DO NOT** have yard debris pick up service.

Contractors performing work at residential or commercial sites are responsible for removing litter and/or waste material by the end of each work week. The Town will **NOT** pick up their waste/debris.

RECYCLING

Single stream recycling service is also available for an additional \$10.00 initial non-refundable fee. Single stream recycling allows for all recyclable products to be placed into the same container without sorting.

The following items can be recycled:

- Brown paper bags
- Empty aluminum cans/pans/foils
- Empty glass food/beverage containers
- Empty bi-metal cans

BULKY ITEMS

Very large items such as storage sheds, garage doors or trailers should be dismantled into manageable pieces. Metal appliances such as refrigerators, washers/dryers, stoves, etc., will be collected AFTER all yard debris has been picked up. Please call 843-719-7900 to arrange bulk item removal.

CARPET & CONSTRUCTION DEBRIS

- If you are a HOMEOWNER replacing carpet, without the assistance of a contractor, carpet will be picked up ONLY if it is dry, and rolled neatly in 4 ft. sections. Carpet installation companies are required to haul off carpet.
